About the Guild's Reflections Garden Project

Beginning in the Spring of 2012, creation of the Garden will commence, using elements that have been donated as gifts in honor of patients, loved ones, or special people who have made a difference in the lives of others.

The HealthAlliance Guild invites you to participate in a fundraising project that will have lasting meaning. The Reflections Garden is a peaceful, natural space located on the hospital's Leominster Campus.

We often pay tribute to others with cards, flowers or gifts. But when you make a charitable donation to the HealthAlliance Guild's Reflections Garden in recognition, in memory, or in honor of someone, you create a lasting remembrance for years to come.

About the Guild

The HealthAlliance Guild is a group of dedicated volunteers from throughout the community whose mission is to foster better health for our community through their support of HealthAlliance Hospital. Guild members are ambassadors on behalf of the Hospital.

Caring People, Outstanding Care

The HealthAlliance Guild has established The Reflections Garden as part of our efforts to help raise funds in support of the current expansion of the Hospital's Simonds-Sinon Regional Cancer Center. Offering compassionate cancer care close to home for more than ten years, the Center has provided 11,500 medical oncology treatments and more than 10,600 radiation therapy treatments in the last year alone.

The expansion project will increase the size of the Center and expand and improve technologies, giving cancer patients in our region a gift measured in terms of convenience, quality of life, and most importantly, positive cancer outcomes.

"I think that the convenience of this Cancer Center has contributed greatly to my doing so well."

– Gloria Roddy
