Board of Directors asks for your help!!!***

**Teddy Bears for the Emergency Department Mental Health Team**

Our Emergency Department continues to see an increase in patients coming through the Emergency Department ( ED) with Mental Health issues. This includes children of all ages. Our Mental Health nursing team is desperately seeking stuffed Teddy Bears to be given to children being treated. We are asking Guild members to consider donating \$5.00 for the purchase of a new Teddy Bear.

HealthAlliance Guild
